

Which Google Cloud product are you?

Swipe to find out

You're **BigQuery** if you...

Never
forget
anything

Are
never full

Look for the
deeper meaning
of things

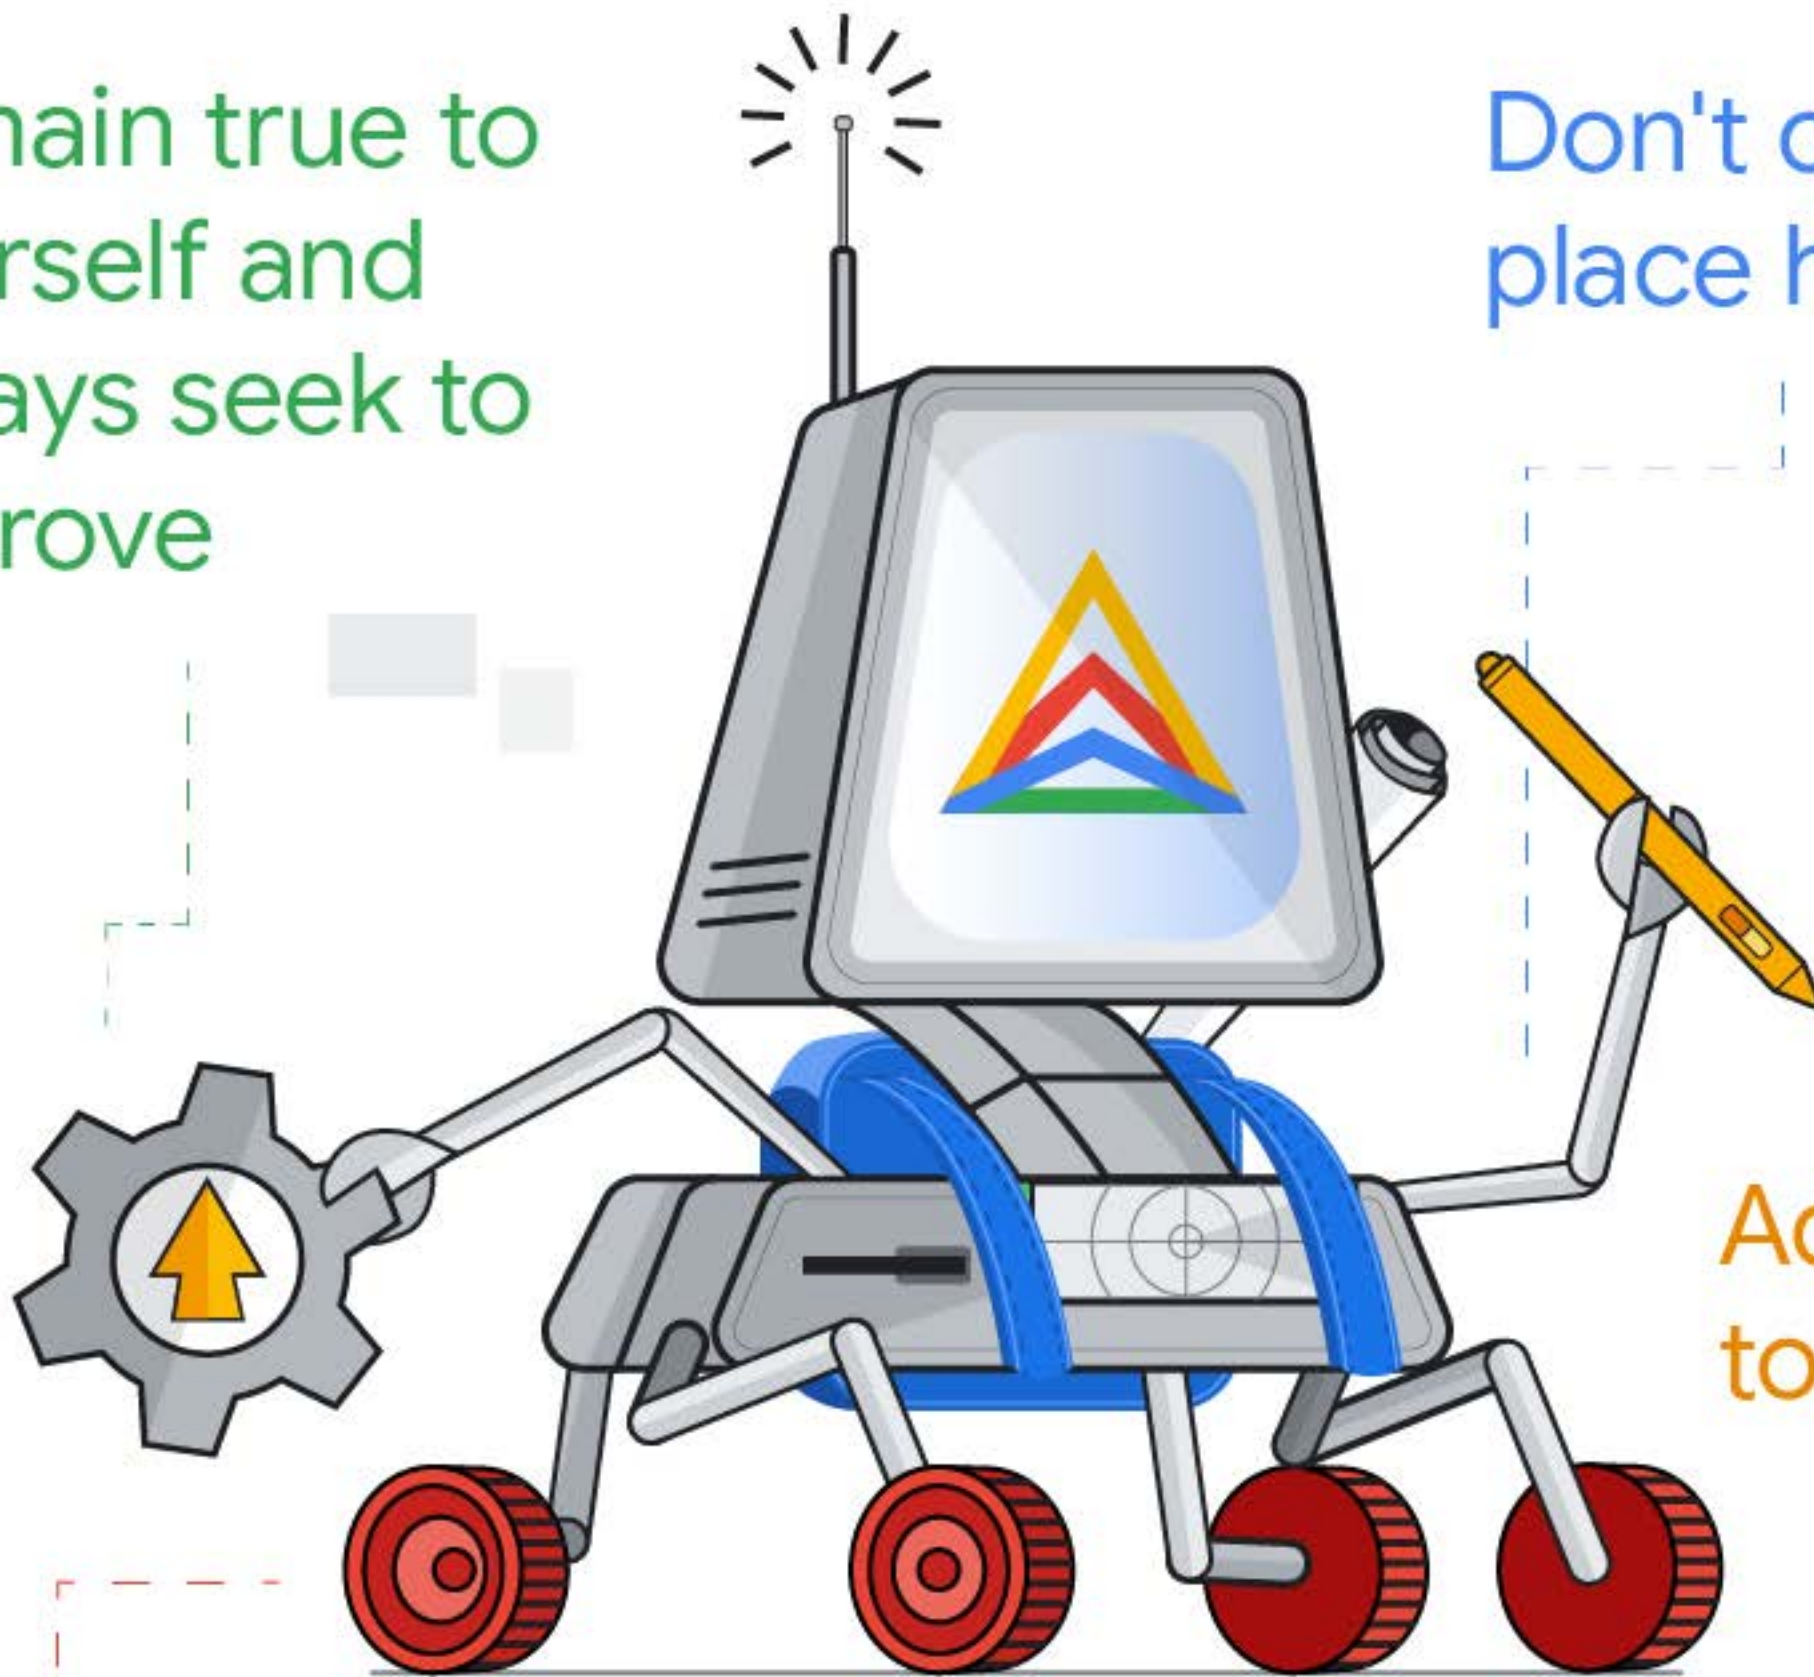

Unlock
insights

You're **Anthos** if you...

Remain true to
yourself and
always seek to
improve

Don't call one
place home

Adapt well
to change

Have a lot of hidden talents
that help others

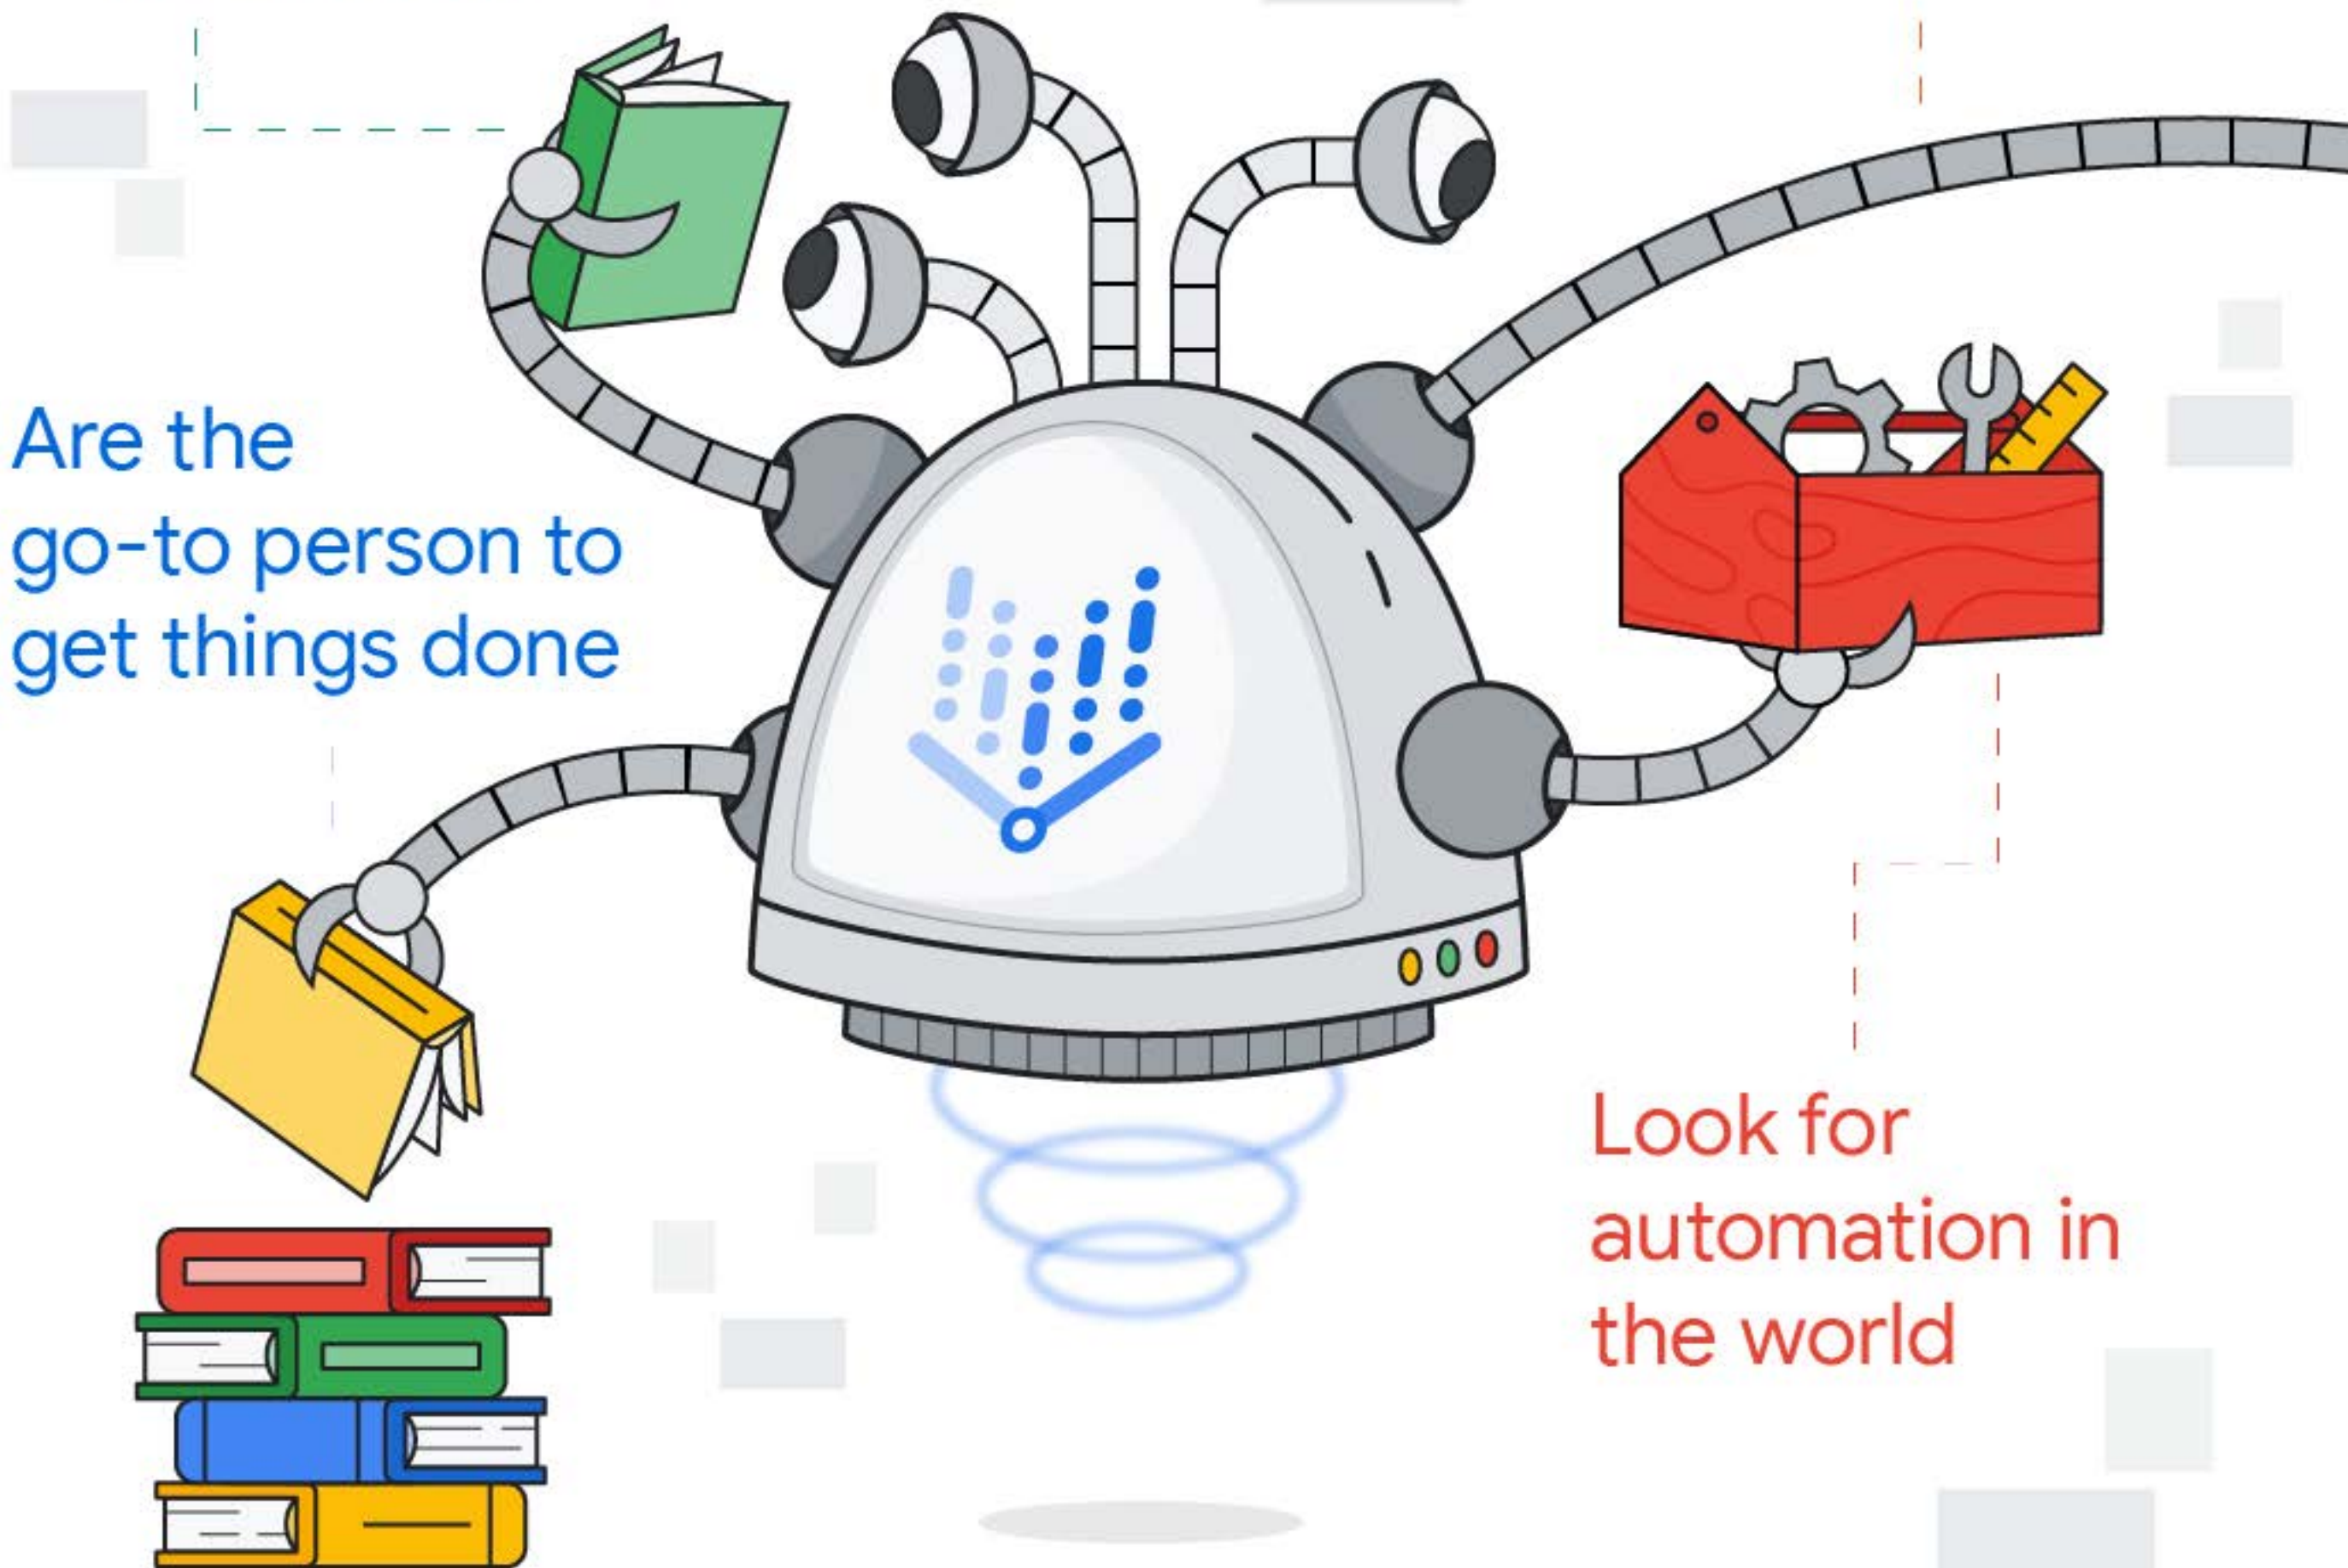

You're **Vertex AI** if you...

Love to learn
new things

Help others

Are the
go-to person to
get things done

Look for
automation in
the world

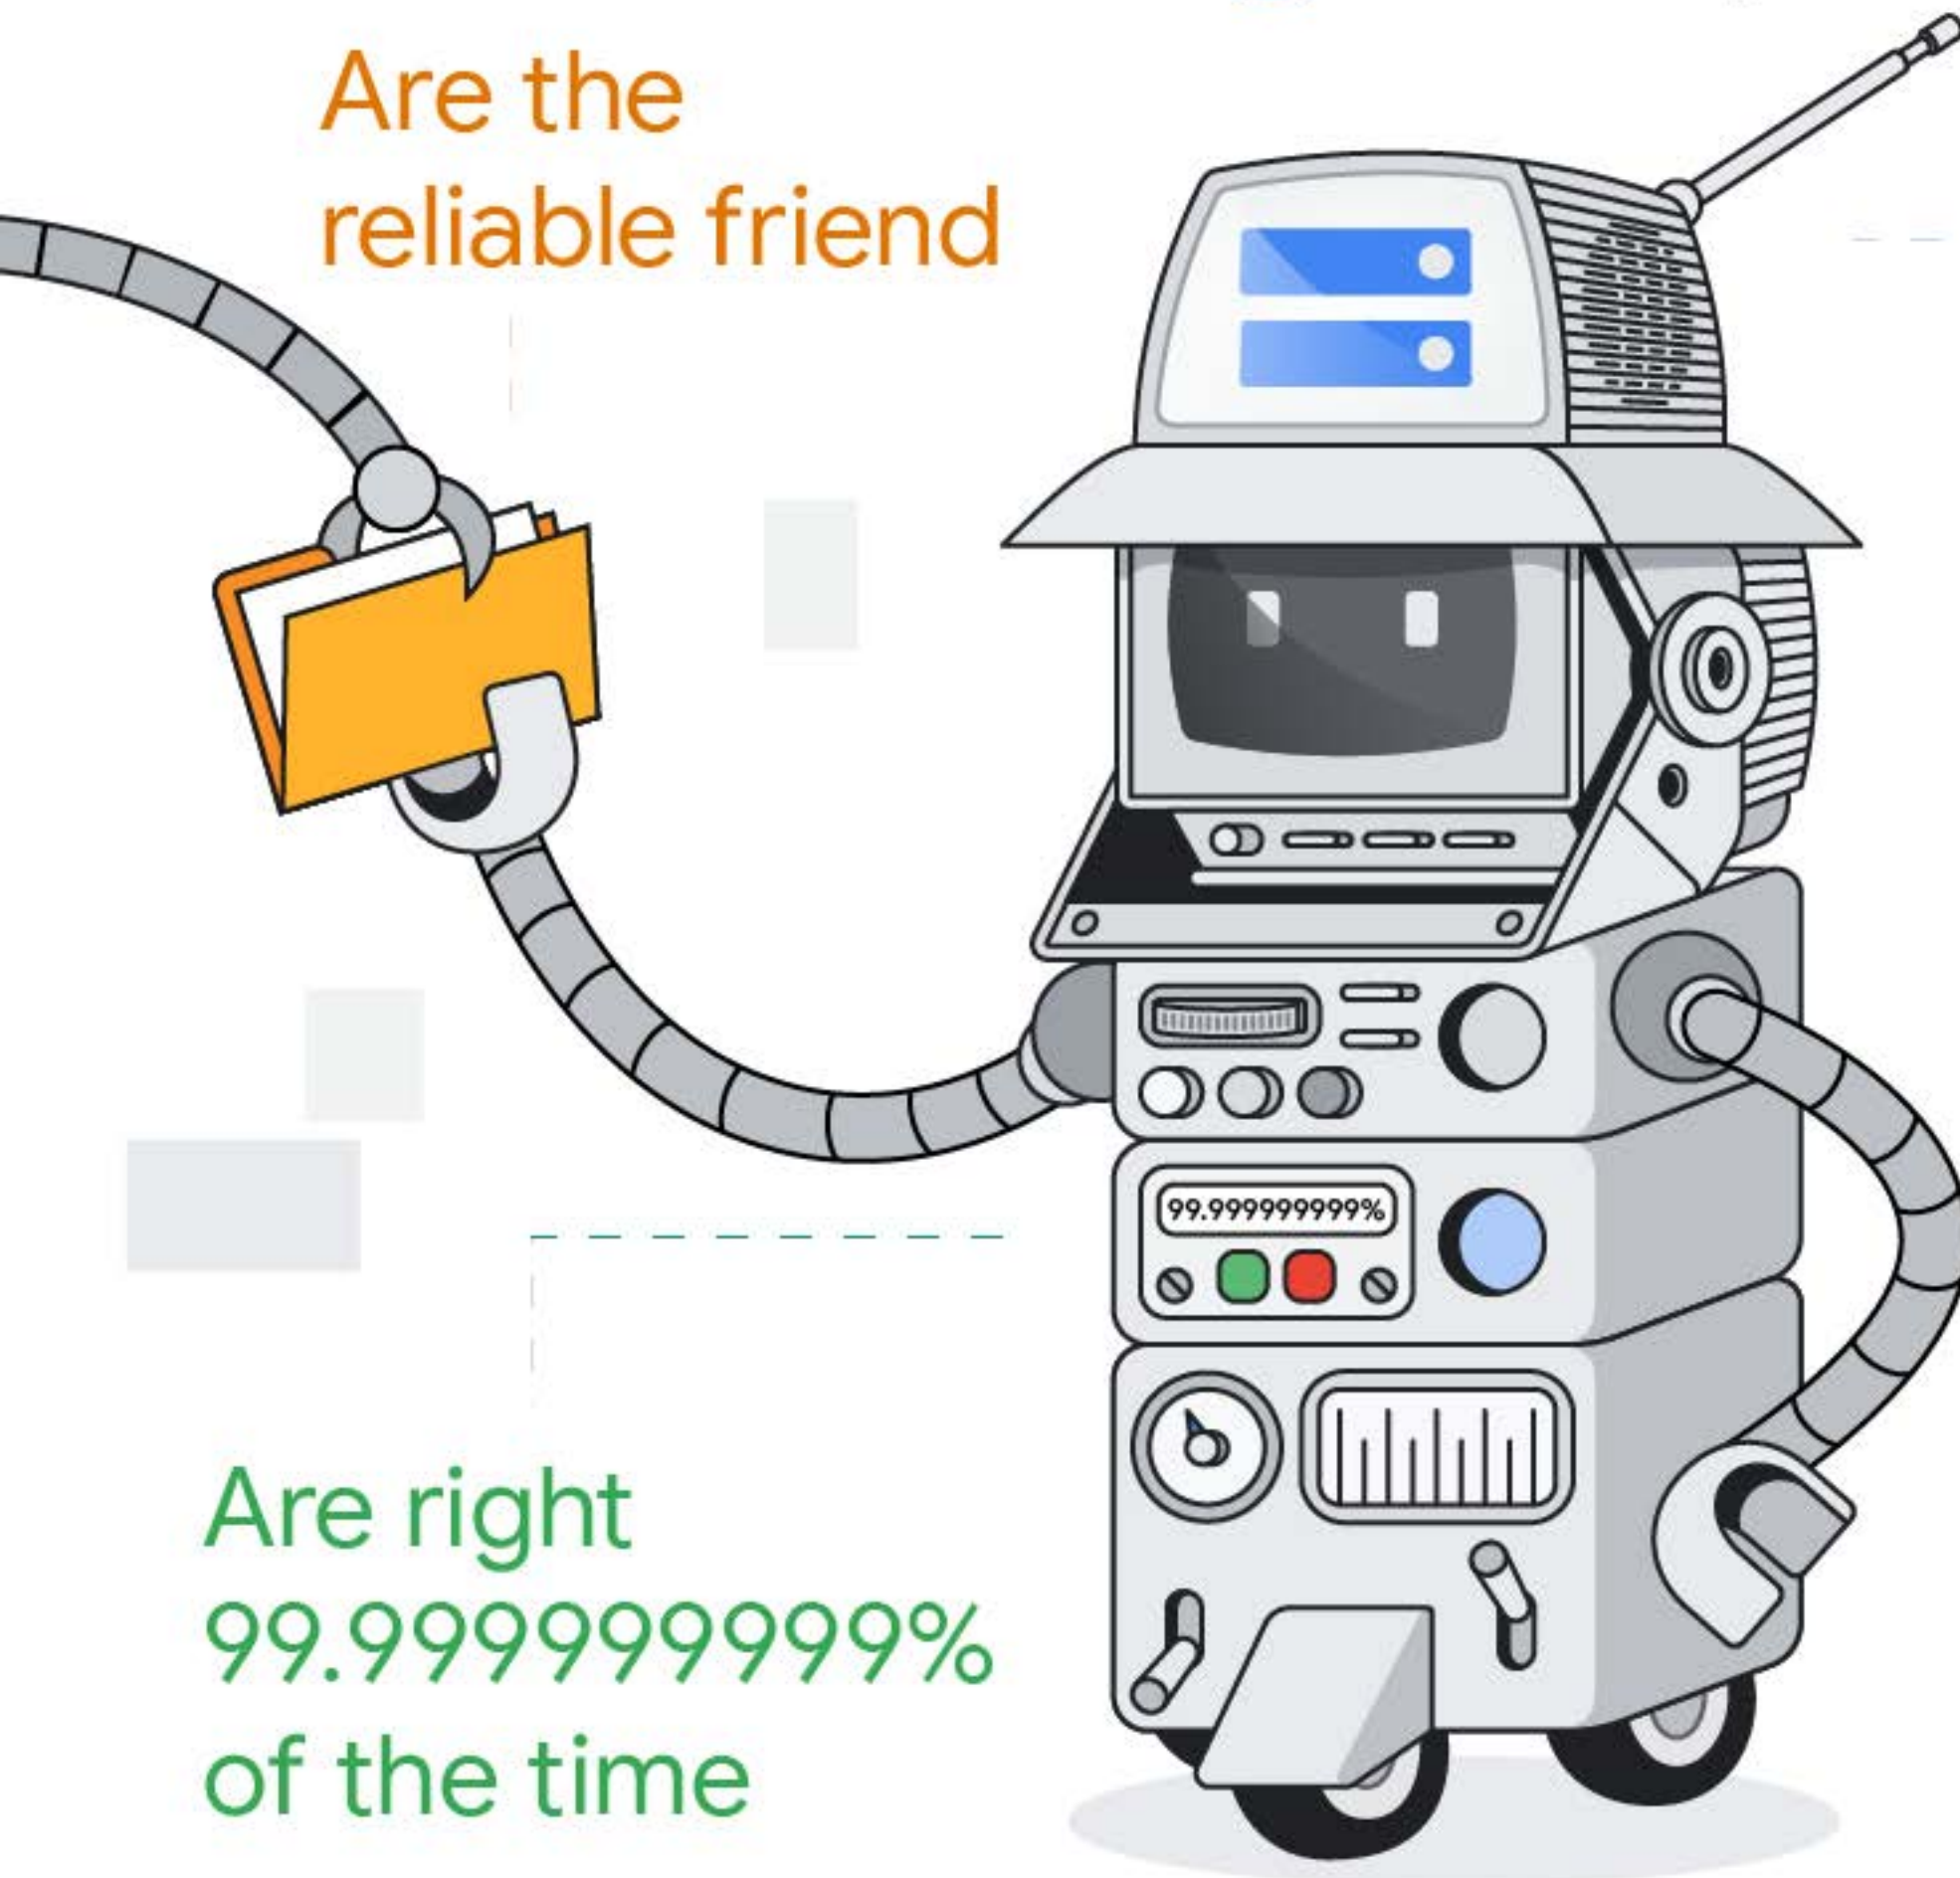

You're **Cloud Storage** if you...

Are the
reliable friend

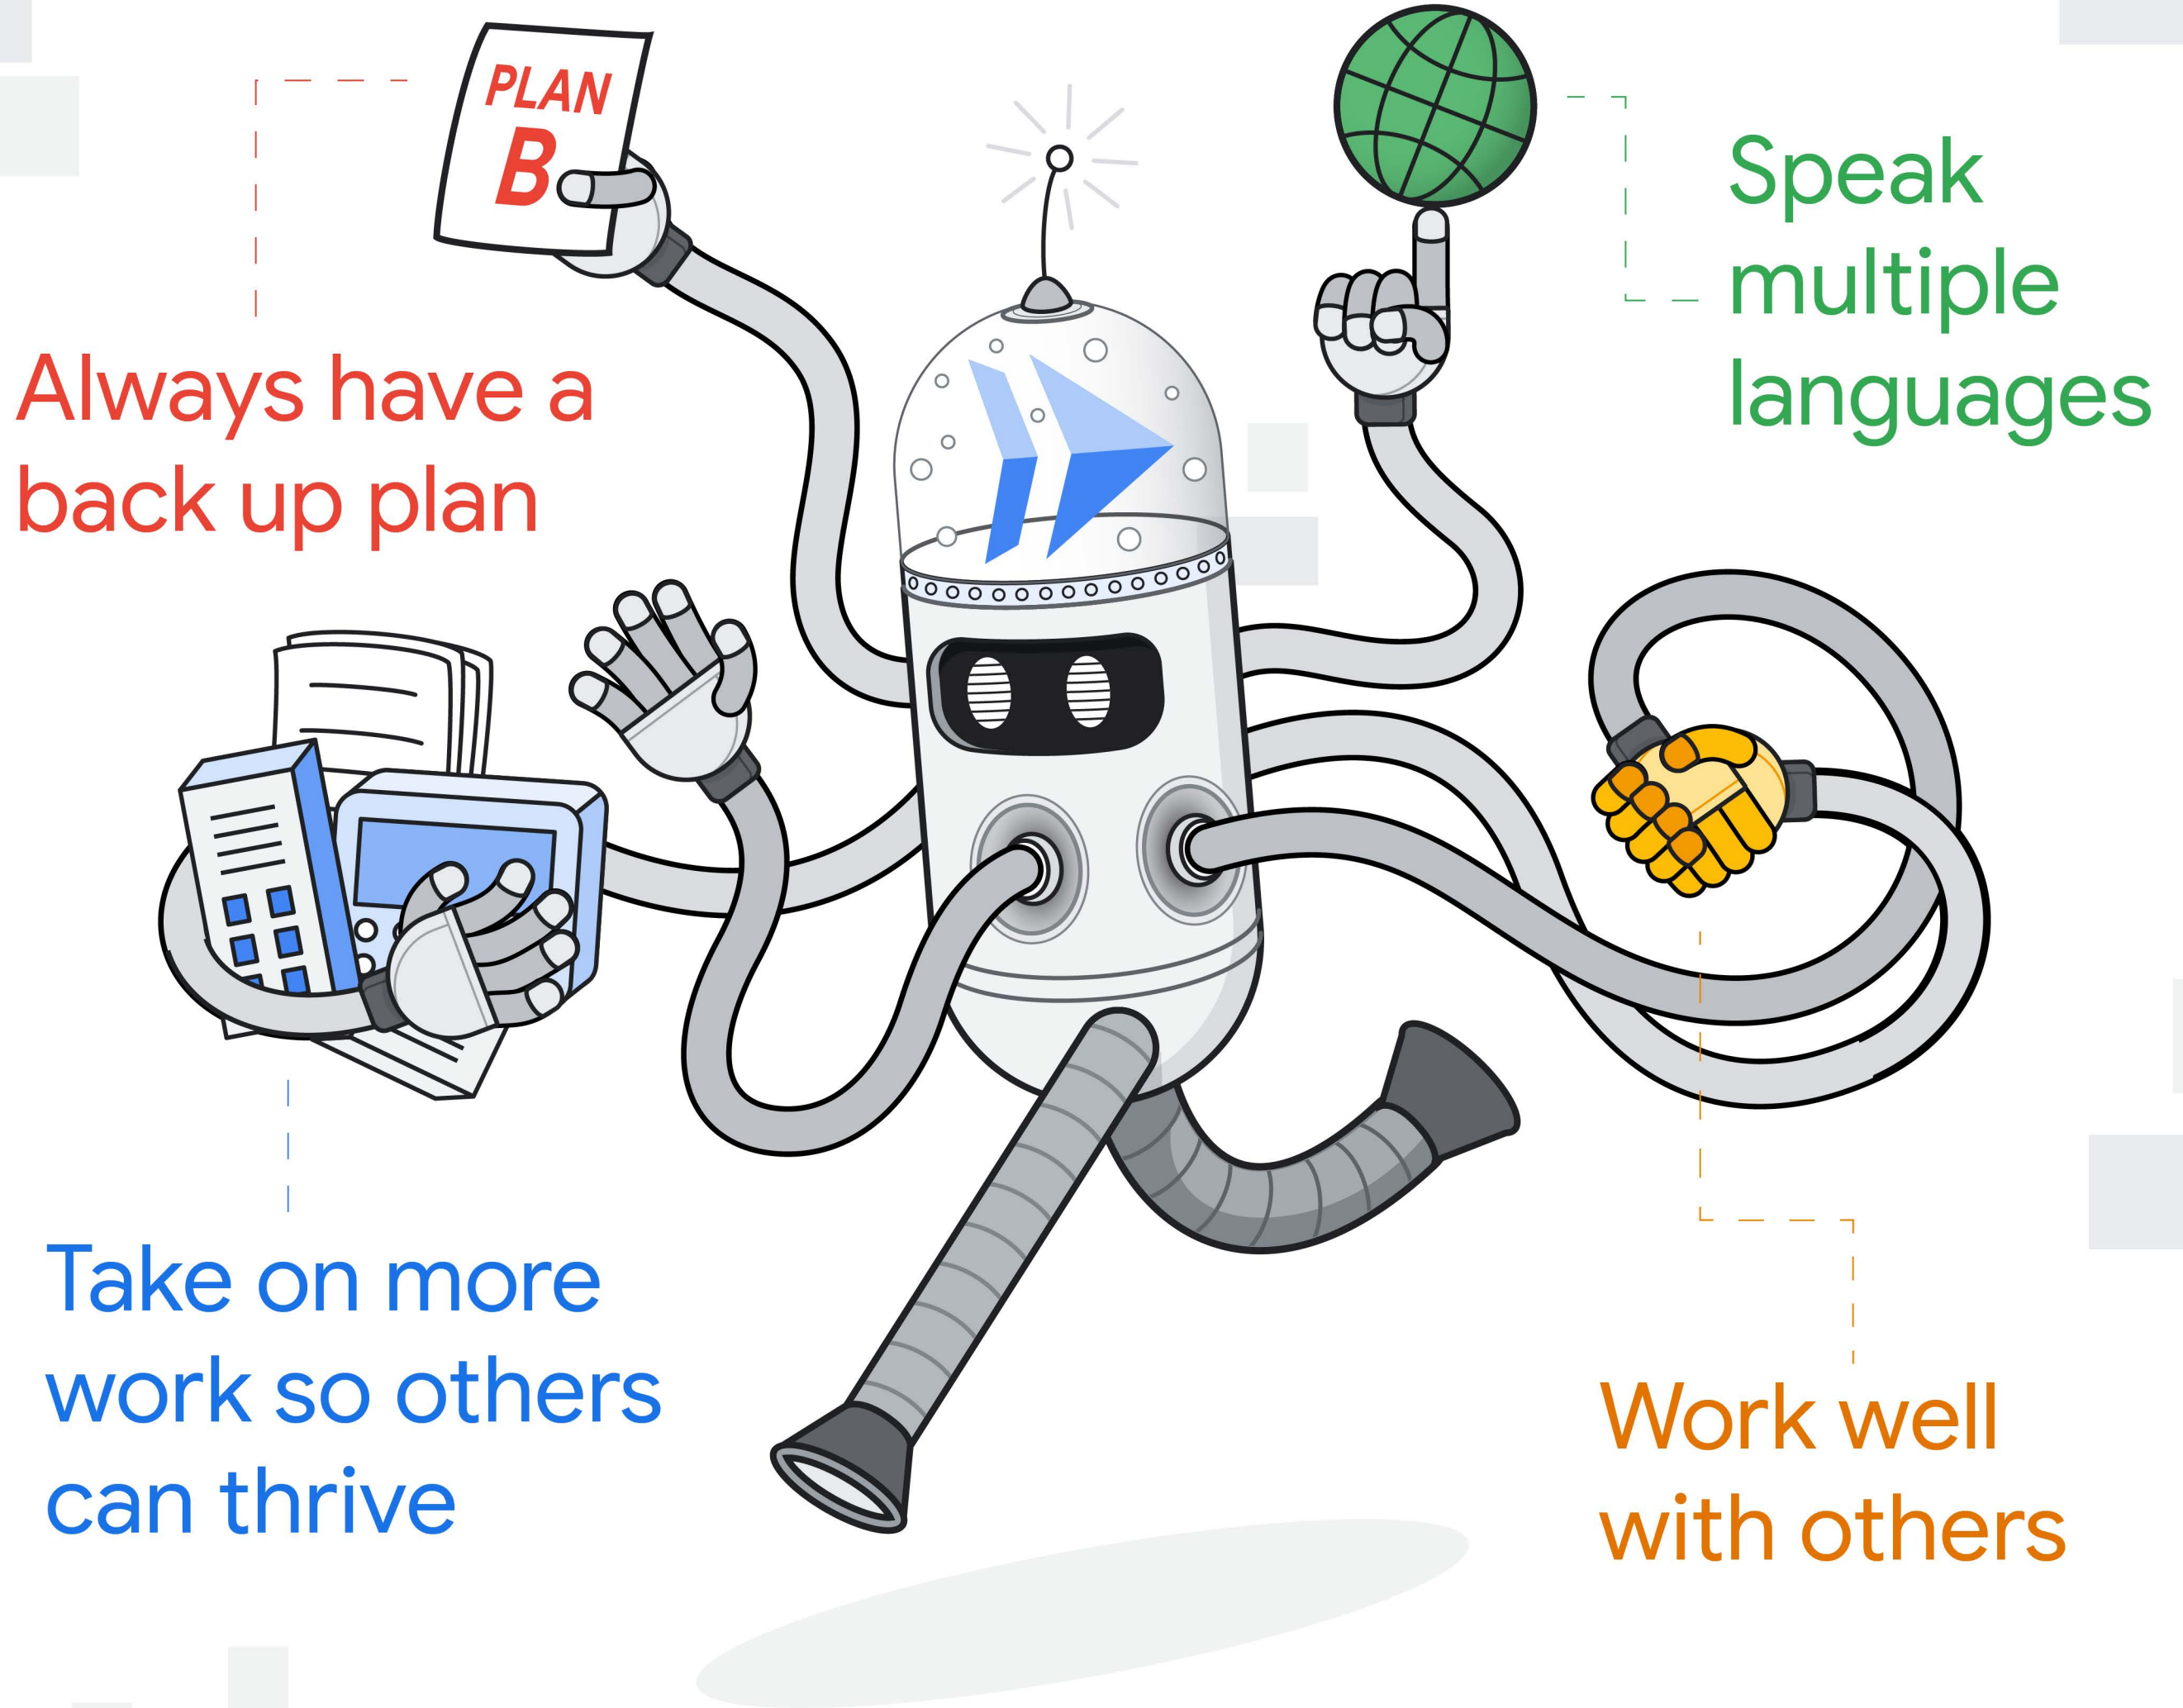

Are a fan of
bucket hats
(and buckets
for storing
your data)

Are right
99.99999999999999%
of the time

Have great
long term
memory!

You're **Cloud Run** if you...

You're **Carbon Sense Suite** if you...

Know all the words to Big Yellow Taxi

Turn off all the lights before you leave the house

Celebrate Earth Day all year long

Separate your recycling

The image features the Google Cloud logo centered on a white background. The word "Google" is in its signature multi-colored font (blue, red, yellow, green, red), and "Cloud" is in a dark grey sans-serif font. Scattered around the logo are approximately 15 light grey rectangular shapes of varying sizes, some of which are slightly tilted, giving the impression of floating server racks or data blocks.
